AUGUST NEWSLETTER

FIRST EDITION #1

I believe the 2nd Annual BMC tour was a great success. We really enjoyed the run through Alpine to the Sundance Picnic area. We even have a Picture to include with this newsletter. We got a little wet coming back, but by the time I stopped and Shirley and I put up the top, the rain was almost over!

\*\*\*\*\*

Someone suggested a breakfast run up Immigration Canyon after the Labor Day weekend. Have you any suggestions for our next mini tour?

\*\*\*\*\*

Who's going to Steamboat Springs over Labor Day? Maybe we could go as a group?

To: Kees

Could you please give me a call about the plastic window cleaner. If I'm not home just leave the information on the answering machine. I'll put it in the next newsletter. Rich

If anyone has some tips they would like to share with the rest of us please contact me so we can get it the newsletter. Rich

Thanks Shirley for getting out our first newsletter!
