

# BRITISH MOTOR CLUB OF UTAH

Volume 3, Number 1  
August, 1990

## UPCOMING EVENTS

Two events are on the calendar for August. The first is a **rally with the Vintage Motor Car Club of America on August 11**. This event will start in Park City. We will **meet at the Parleys Way K-Mart at 9:00 am** and convoy up to Park City. If it is easier for you to meet us in Park City, the place is the Resort Center parking lot at 10:00. This is a real time-distance rally and a working speedometer and a watch are desirable. You will need a navigator, too. Undoubtedly some people will take this seriously but there is certainly no reason why we all have to. Let's get a group of non-serious novices out and have some fun. We will have somebody who understands rallies give an explanation of what we are supposed to do before we start. For more information contact Dave Stephens at 261-5232 (H) or 263-1992 (W).

The second event is the **Annual Healey Days** that the Bonneville Austin-Healey Club puts on. This is planned as a two day event on August 18-19 at the Olympia Resort in Park City. On **Saturday, August 18, there will be a British Car Show, Walking Rally(?), and Dinner**. On **Sunday, August 19, there will be a driving rally**. A registration form is attached. Contact Duff Lawson, 487-5192 (H) for more information.

## HOW MANY CARS!?

We had nearly 30 British cars and two British motorcycles show up at South Towne Mall for the 3rd Annual Alpine Loop run and picnic. Of these 25 or so actually went on the run with the other folks stopping to see what the group is all about. It was an impressive sight to see what appeared to be a nearly endless line of British Cars heading out. Quite a difference from the original five cars. Heading down to Sundance at a stately MG-TD pace, we made a pit stop at the Alpine store and then attacked the hills and turns of the Loop. We all made it up without any significant overheating and cooled everything, but the brakes, on the long downhill into Sundance. On the way over the hill we passed an MGB going the other way who could not resist the attraction of that many British cars and joined up with us to Sundance. This is the second time that this has happened. After filling a significant part of the parking lot at the ski area, we went off to find shade and have lunch. Pete won the "what is the strangest item in your trunk contest" with an Alfa Romeo fuel pump. Other entries included some unidentifiable items, a contraceptive device, and a pair of rubber gloves. After lunch and the usual peering under hoods and kicking tires, we headed off to Heber, Kamas, Park City and back to Salt Lake. For those keeping count we had nearly equal numbers of MGs and TRs, 2 E-type Jags, and a Sunbeam Alpine. Kees '51 TD was the oldest car.

A good time was had by Rob, Sherry, Gail, Grant, Laura, Jonathan, Mario, Bruce, Nick, Mary, Robert, Pete, Brent, Kees, Beckie, Margie, Reed, Claren, Jordan, Marvin, Chrystal,

Mike, Nathalie, Don, Pat, Joe, Carole, Dell, Donni, June, Alan, Sue, Jim, Bill, Jim, Michelle, Barry, Denise, Becky, Tom, Martin, Michael, Dirk, Gary, Julie and myself. Three cheers for Denise and Barry for answering all the phone calls concerning the run and helping get things organized. We met lots of new folks on this event and hope to see them again at other club events.

## TIDBITS

New members for July are: Michael Kawasaki, Michael has a '79 MGB; Michael Lytle, he has a '79 Midget; Mike Odernheimer, Mike has '68 MGBGT; Robert Ledbetter, Robert has a '77 MGB; Nick and Mary Benyo, they have a '70 E-type Jag; Mario Hieb, he has an '80 MGB; Dirk Bahlmann, Dirk has a '62 Sunbeam Alpine, Scott Kimbrough, Scott has two Sunbeam Alpines; Robert Kilch, Robert has '73 TR-6 and Rick Large, Rick has '78 MGB. Welcome to all of you and hope to see you at the next event.

Dell Miller reports that he has a large supply of used MGB parts. He prefers to trade parts or services rather than sell, but can be talked into it. If you are in need of something contact Dell at 966-6498 (H).

We sent out 78 July newsletters for a cost of \$18.50 for postage. We currently have 88 names on the mailing list. This is certainly the largest list we have ever had and it appears

it may break a 100 by the end of this year. On the Alpine Loop I received donations of about 1500 envelopes which should keep us in envelopes for a year or more. Thanks to Duff, Donni, Dell, Denise and Barry for the envelopes. We sure could use a donation of copy machine paper - Kees has been very generous in supplying paper and the use of his Xerox machine.

The large turn-out for the Alpine Loop was due in part to some radio spots, an ad in the paper and a sign at Parts Master. Thanks to everybody who helped with these and a second thanks to Bruce at Parts Master for the trunk contest prize. By the way, Bruce came along with a nice TR-2. Yes, a TR-2.

It's nearly time for the Steamboat Springs Vintage Race, again. If you like old sports and race cars, you shouldn't miss this. Last year there were about 175 entries of pre-'67 cars in the races, with a large part, if not a majority, British. Julie and I have gone over for the past five years and it is a great event. There is racing on the Saturday and Sunday before Labor Day and a concours on Saturday. Steamboat Springs also has lots to do for your spouse who might not be into cars. We will be camping again, a good way to save some bucks, and have enough room reserved for several others. If you are interested, contact Bill or Julie Van Moorhem at 582-9223 (H) or 581-7687(W).

We have some extra club grill badges. If you need one contact Bill at 582-9223. They are \$17.00 each.

Pete has a 1965 Ford Mustang for sale. It is a California car, 289, 2 bbl, virtually rust free, completely rebuilt mechanically. Call Pete or Lil 942-1430 (H) or 581-8346 (W).
